

TALES APP Request

In order to spend APP money and time wisely, we will need the following information before a new app can be considered for purchase. (Yes, even free ones...they take time to find, download, and deploy!!) Thanks!

Teacher _____

Grade _____

Date _____

Name of APP: _____

Is this a "utility" APP? _____

Grade Level Range of APP: _____

Target CSO(s) covered by APP: _____

Cost per APP: _____ Total # of iPads to be installed on: _____

Total Cost of APP: _____

How does this APP fill a need that cannot already be addressed by using current textbook-related resources (ThinkCentral, Everyday Math), county-level resources (Odyssey), or web-based resources (Discovery Education, PBS Kids, National Geographic Kids, NASA, etc) to name just a few? Provide your rationale in the textbox below:
